

Covid-19 India Statewise

jishnupdas

This repo provides a simple visualisation for Covid-19 information for each of the Indian states

This data is sourced mainly from Govt and news agencies. The information presented here is publicly available.

Each state's data is visualized in three different plots

- The standard 'time vs cases' cases starting from March
- The same time vs cases in a logarithmic scale
- Number of cases reported per day in each state
