## Covid-19 India Statewise

jishnupdas

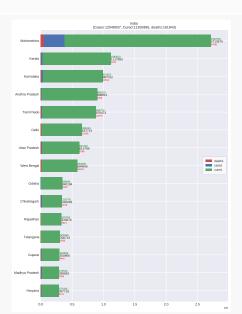

This repo provides a simple visualisation for Covid-19 information for each of the Indian states

This data is sourced mainly from Govt and news agencies. The information presented here is publicly available.

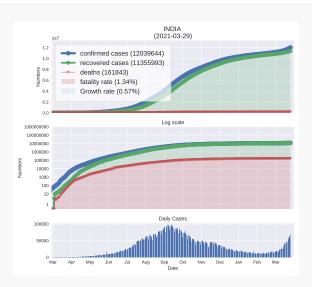

#### Each state's data is visualized in three different plots

- The standard 'time vs cases' cases starting from March
- The same time vs cases in a logarithmic scale
- Number of cases reported per day in each state
